

#### Obtaining a Library Card

Adult residents (ages 18 and older) of Apalachin and its surrounding communities are eligible to receive a library card, and children (ages 5 to 17) may also obtain their own card if their parent or trusted adult is an Apalachin Library cardholder. There is no charge for issuing or replacing a library card.

#### Renewal of Library Cards

Library cards will expire automatically every two years but may be renewed at the Library or over the phone. Notifications are sent automatically by email or phone call two months prior to the expiration date of a library card depending on the method selected when acquiring the card.
